

gmx\_stats\_get\_a

```
graph LR; A[gmx_stats_get_a] --> B[gmx_stats_compute]; B --> C[dsqr];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'gmx\_stats\_get\_a'. A dark blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'gmx\_stats\_compute'. Another dark blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'dsqr'.
