

gmx_mm_printxmmsum_ps

```
graph LR; A[gmx_mm_printxmmsum_ps] --> B[f]
```

A diagram showing a function call. A gray rectangular box on the left contains the text 'gmx_mm_printxmmsum_ps'. A dark blue arrow points from the right side of this box to a white square box on the right, which contains the letter 'f'. Both boxes have a black border.
