

_gmx_sel_lexer_selcollection

```
graph LR; A["_gmx_sel_lexer_selcollection"] --> B["_gmx_sel_yyget_extra"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text "_gmx_sel_lexer_selcollection". The right box is white and contains the text "_gmx_sel_yyget_extra". A dark blue arrow points from the right side of the left box to the left side of the right box, indicating a directed relationship or pointer from the first variable to the second.
