

gmx_fio_dbgstr

```
graph LR; do_ascwrite[do_ascwrite] --> gmx_fio_dbgstr[gmx_fio_dbgstr];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'gmx_fio_dbgstr'. The box on the right is white and contains the text 'do_ascwrite'. A dark blue arrow points from the right side of the 'do_ascwrite' box to the left side of the 'gmx_fio_dbgstr' box, indicating a pointer or reference relationship.

do_ascwrite
