

sim_data_init

```
graph LR; A[sim_data_init] --> B[lambda_components_init];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'sim_data_init'. The right box is white with a black border and contains the text 'lambda_components_init'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
