

CMakeFiles/CheckTypeSize/SIZEOF_LONG_INT.c

```
graph TD; A[CMakeFiles/CheckTypeSize/SIZEOF_LONG_INT.c] --> B[sys/types.h]; A --> C[stdint.h]; A --> D[stddef.h];
```

The diagram illustrates the dependencies of the file CMakeFiles/CheckTypeSize/SIZEOF_LONG_INT.c. It is represented as a root node in a gray box at the top. Three blue arrows point downwards from this root node to three separate white boxes below it, each containing a header file name: sys/types.h,stdint.h, andstddef.h.

sys/types.h

stdint.h

stddef.h
