

get_mc_state

```
graph LR; A[get_mc_state] --> B[gmx_rng_get_state]
```

A diagram showing a horizontal flow from left to right. On the left is a gray rectangular box with a black border containing the text 'get_mc_state'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box with a black border on the right, which contains the text 'gmx_rng_get_state'.
