

spline\_forces

```
graph LR; spline_forces[spline_forces] --> gmxfatal[gmxfatal];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box, labeled 'spline\_forces', has a light gray fill and a black border. The right box, labeled 'gmxfatal', has a white fill and a black border. A solid blue arrow points from the right side of the 'spline\_forces' box to the left side of the 'gmxfatal' box, indicating a function call or a flow of control.

gmxfatal
