

share/template/gromacs/types/atoms.h

```
graph TD; A[share/template/gromacs/types/atoms.h] --> B[simple.h]; B --> C[limits.h];
```

A vertical flowchart with three rectangular boxes. The top box is shaded gray and contains the text 'share/template/gromacs/types/atoms.h'. A blue arrow points down from the bottom center of this box to the top center of a white box containing 'simple.h'. Another blue arrow points down from the bottom center of the 'simple.h' box to the top center of a white box containing 'limits.h'.
