

gmx_stats_get_error

```
graph LR; A[gmx_stats_get_error] --> B[gmx_stats_compute]; B --> C[dsqr];
```

A flowchart with three rectangular boxes connected by arrows. The first box, labeled 'gmx_stats_get_error', is shaded gray. A dark blue arrow points from its right side to the second box, labeled 'gmx_stats_compute', which is white. Another dark blue arrow points from the right side of the second box to the third box, labeled 'dsqr', which is also white. All boxes have a black border.
