

search_str

```
graph LR; A[search_str] --> B[gmx_strcasecmp]
```

A diagram showing a call from a variable to a function. On the left, a gray rectangular box contains the text 'search_str'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'gmx_strcasecmp'. Both boxes have a black border.

gmx_strcasecmp
