

src/kernel/compute_io.h

```
graph TD; A[src/kernel/compute_io.h] --> B[visibility.h]; A --> C[typedefs.h];
```

The diagram illustrates a header file dependency. At the top, a gray box labeled 'src/kernel/compute_io.h' has two blue arrows pointing downwards to two white boxes. The left box is labeled 'visibility.h' and the right box is labeled 'typedefs.h'. This indicates that 'src/kernel/compute_io.h' includes both 'visibility.h' and 'typedefs.h'.
