A diagram illustrating the relationship between three source files. At the top is a gray box containing the header file path 'src/gmplib/selection/selhelp.h'. Below it are two white boxes: 'src/gmplib/selection/parsetree.c' on the left and 'src/gmplib/selection/selhelp.c' on the right. Two blue arrows point from the top of each white box to the bottom of the gray box, indicating that both source files include or depend on the header file.
