

gmx\_sparsematrix\_increment\_value

```
graph LR; do_nm[do_nm] --> gmx_sparsematrix_increment_value[gmx_sparsematrix_increment_value];
```

A diagram showing a relationship between two variables. On the right is a white rectangular box with a black border containing the text 'do\_nm'. On the left is a gray rectangular box with a black border containing the text 'gmx\_sparsematrix\_increment\_value'. A dark blue arrow points from the right side of the 'do\_nm' box to the right side of the 'gmx\_sparsematrix\_increment\_value' box.

do\_nm
