

include/thread\_mpi/atomic.h

```
graph TD; A[include/thread_mpi/atomic.h] --> B[stdio.h]; A --> C[visibility.h];
```

The diagram illustrates a header file dependency. A top-level box labeled 'include/thread\_mpi/atomic.h' has two arrows pointing downwards to two separate boxes below it: 'stdio.h' on the left and 'visibility.h' on the right. The top box is shaded gray, while the bottom boxes are white.
