The diagram illustrates a header file dependency. At the top is a gray box labeled 'src/mdlib/nbnxn_internal.h'. Below it are two white boxes: 'src/mdlib/nbnxn_atomdata.c' on the left and 'src/mdlib/nbnxn_search.c' on the right. Blue arrows point from each of these two boxes up to the header file box, indicating that both source files include the header.
