

include/thread\_mpi/tmpi.h

```
graph TD; A[include/thread_mpi/tmpi.h] --> B[stddef.h]; A --> C[visibility.h];
```

The diagram illustrates the preprocessor directives within the file `include/thread_mpi/tmpi.h`. Two blue arrows originate from the bottom of the top box and point to the two boxes below it, indicating that `tmpi.h` includes both `stddef.h` and `visibility.h`.

stddef.h

visibility.h
